All products available in sample pack, 5 catheters. To order, replace the last two digits in the Reference number with 05.

LoFric Elle

- **Improving the success rates** of catheterization – the L-shaped handle improves visibility when using a mirror and makes it easier to locate the urethra. It also supports a more upright, natural position during catheterization.
- **L-shaped handle** for a good grip, extra reach, and non-touch technique.

- **Ready to use** – ready when you need it, to enable fast handling and catheterization.
- **Slim and discreet** design.
- **Smooth eyelets.**^{1,2}
- **LoFric catheters are** coated with the unique Urotonic™ Surface Technology. This ensures

the catheter remains smooth and safe, both during insertion and withdrawal.^{3,4}

- **Lower container** is recyclable as plastic (polypropylene).
- **Not manufactured with** PVC, phthalates or latex.
